

Committee/Sub-Committee:
Housing & Transportation: Special Populations

>

List the Learning(s) that this recommendation is addressing:
shortage of affordable accessible housing

Write the Committee Recommendation:

Promote the construction and retro-fitting of homes to be accessible and visitable for people with disabilities. Create incentive for contractors, re-modelers, or builders to build accessibility features as they build or re-model.

>

Identify any research or other kinds of information that was used to craft this recommendation:

>

Identify additional research or information that could help clarify this committee recommendation. List potential sources if possible.
local builder association

Indicate people or groups that we need to talk to help clarify this committee recommendation. List any recommended locations.
