

July 24, 2006: Economy Subcommittee

Agenda

1. Full Committee Session - Review time line and give each subcommittee the charge of developing 4 "best findings" that will be submitted to the Steering Committee for the interim report to be released in September.
2. Break into subcommittees.

Subcommittee Agendas:

- A. Aardvark debriefing. (Presentation by Drew Page) Are there lessons to be learned by the decision by Novartis to build a vaccine plant in NC instead of ACC? 15 minutes including Q/A
- B. Review summary of latest market study done for ACC by Fantus Consulting. PPA staff is consolidating the report into a one page summary.
- C. Review findings of Workforce Committee applicable to our committee
- D. Develop 4 "findings" per # 1 above.
