

Dependent Care Subcommittee Agenda:
Elder and Disabled Citizens Issues
May 22, 2006

- 1) Review previous discussion
- 2) Identify gaps in knowledge
 - a) What services do impoverished individuals say they need?
 - i) How can we get this information?
 - b) What programs already exist?
 - i) Are programs utilized by impoverished individuals?
 - ii) Why or why not?
 - c) Can existing programs be modified to address needs?
 - i) How?
 - ii) Who should be included in program modification design?
 - d) What programs need to be created?
 - i) How?
 - ii) Who should be included in program development?
- 3) Where can we get needed information?
 - a) Divide information gathering tasks
 - i) Gather information by June 12
 - ii) Summarize and submit to co-chair by June 16
 - iii) Co-chair gathers information into report by next meeting

Dependent Care Subcommittee Agenda:
Child Care Issues
May 22, 2006

1. Establish ground rules for discussion
2. Identify, Recorder, Reporter and Facilitator
3. Review unmet needs for child care for impoverished families discussed at previous meeting:
 - more affordable child care
 - more high quality child care
 - more non-traditional hours child care (weekend, evening, overnight)
 - sick child care
4. Determine if additional data about child care needs are needed.
5. Review available child care in Clarke County
6. Identify potential resources for meeting each of the identified needs:
 - employer provided on-site child care
 - employer vouchers for child care
 - increased tax credit for child care
 - increased federal funding for child care
 - enhanced training for informal (kin, neighbor and friend) care
 - others?
7. Discuss strategies for meeting each of the identified needs
8. Discuss how to organize the members of this committee to begin working on identified needs (Who does what?).
9. Prioritize tasks for next meeting.
