Health Access Initiative Presentation:

Dr. Jack Chapman, President of HAI, Kim Smith, Executive Director of HAI, and Lynda Askew, Board Member of HAI will share their time and knowledge about the model Hall County initiative to improve access to care for uninsured adults.

Questions and Comments to HAI Panel

Application of the HAI Model:

Return to population groups established in April to discuss how a program such as this would help address what was determined to be the most critical health issues for their given population.
